

Ark John Archer Primary Academy *Learning Excursions*

Enrichment: Learning Excursions and Enrichment

We continually strive to enrich our curriculum offer and the cultural capital of our pupils through a rich, broad and balanced programme of educational visits and experiences. As the academic year progresses, we continue to seek and grasp new opportunities, keeping our fingers on the pulse of all that the local area and the wider community of London has to offer. We aim to expose our pupils to different cultures, arts, sports and landmarks - both encouraging and developing the individual passions and interests of our pupils. The table below demonstrates our current programme - this will be further developed and enhanced as we move through the year ahead.

Main curriculum area						
Art / DT	English (R/W)	Geography	History	Music	RE	Science
	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
