Key Information About Our Home Learning Package

Dear Parents/Carers,

As you are all aware, the Government has said that schools cannot reopen for the Spring Term. The school may be closed, but the learning won't stop and I am pleased to share with you information about our Home Learning Offer.

The teaching staff have been working so hard over the past 3 days to start preparing the work for this half term... ALL of the learning will be found on SeeSaw (Reception will continue to use Class DoJo) and the school website www.arkjohnarcher.org. You can click on the links below also to access these sites. Any problems with Log Ins for SeeSaw or any other platforms please do contact us and we can give you your access codes.

This period of time is not an extension to the holiday – the expectation is that every child accesses their learning through these sites and if you have any problems it is your responsibility to get in touch with me so that we can help and support you.

I have attached a timetable that may help you organise your day. I am not expecting the children to follow this rigidly... your child can complete their work over different times of the day as it is so important that the children get a break from the screen. It's just getting a balance to ensure the learning continues, home life continues and a routine is established.

Mr Prior has kindly put together a short video that talks you through how to access the learning both on the website and SeeSaw.... Please do click on this link <https://youtu.be/fjHOdOmtzP8>

I am really conscious that some of you will be worried about your child's learning... I will do everything I can to ensure your child is equipped to learn during their time at home. It will of course take a few days to get into a flow and routine of learning from home... but please do contact Mr Prior or myself if you experience any problems at all... we are here to help and support.

Finally,... If you need any resources... pencils, paper to write on, glue, scissors etc please do pop in. If you just want to pop in for a chat whilst having a break... please feel free to do so... If you need food vouchers, or are concerned about Free School Meal Vouchers and feel you should be getting them... please do get in touch... If you want a chat over the phone... please do call us... WE ARE HERE FOR YOU!!!

I will continue to update you on any developments via email / text and with regular updates on the school website.

This is an unsettling and disruptive time for everyone and we will work together as a school and local community to face the challenging times ahead. Thank you for your support and understanding during these exceptional circumstances. If we can do anything more to help your family, please do not hesitate to get in touch.

Best Wishes

Moira Cruddas
