NEW LEARNING: Reading the time to half past on an analogue clock

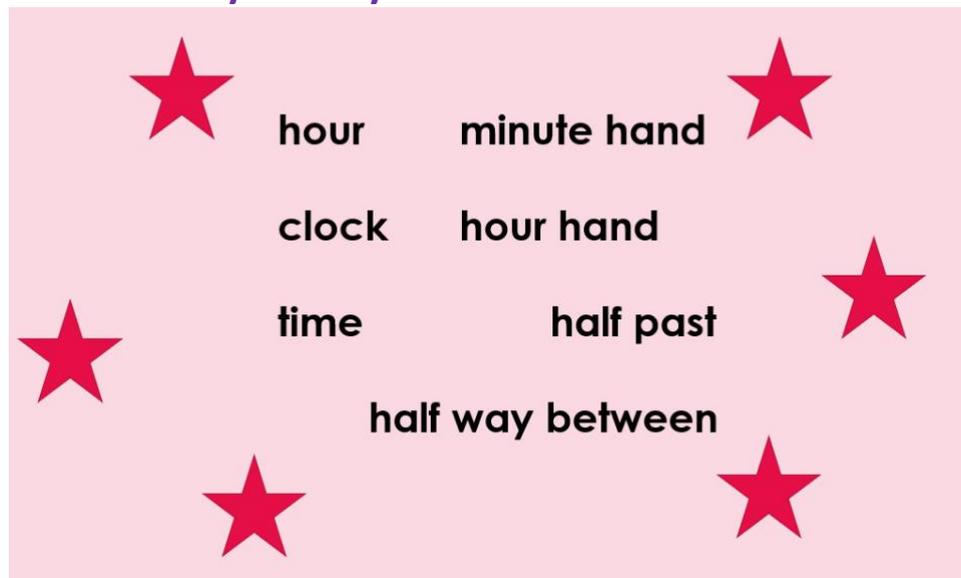

To start: Practise reading and saying numbers to 20.

(Play video from beginning)

Tip: As an extra challenge, you could create your own colourful number line on a strip of paper Example:

Read and say the key words:

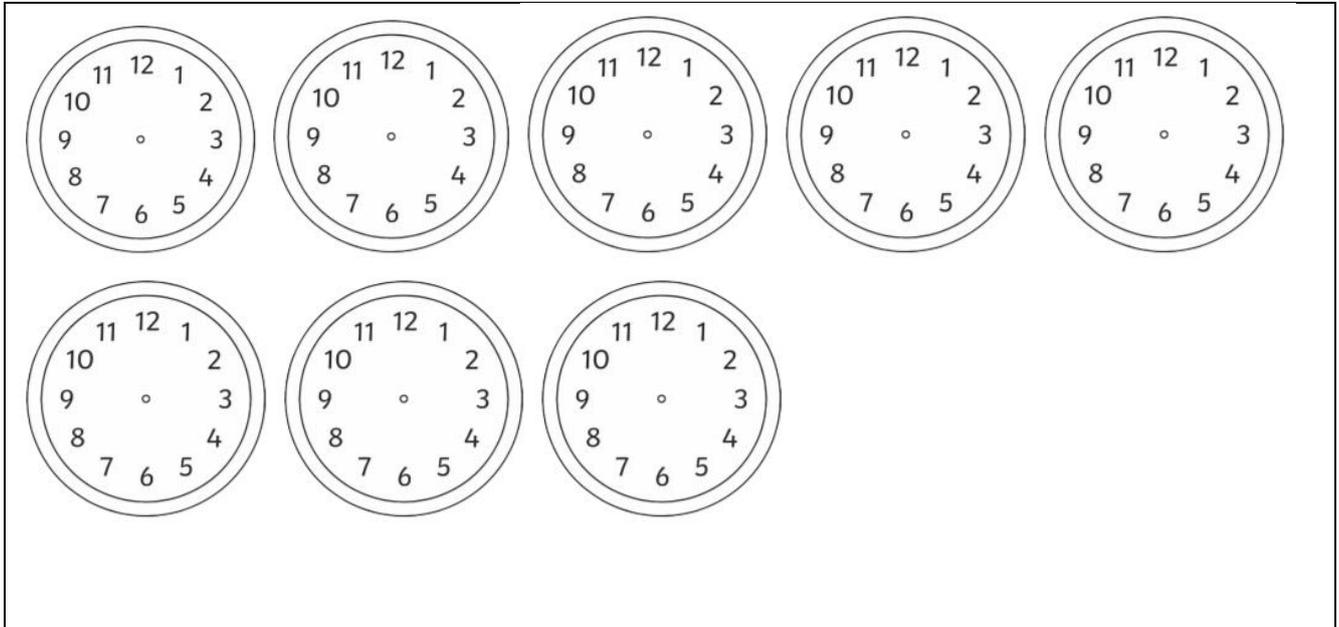

Recap yesterday's learning and complete the activity below.

(Play video at 3:54)

Draw the following times on these clocks:

Tip: You can draw the times onto this template or draw your own clocks.

- 1. 1 o'clock
- 2. 3 o'clock
- 3. 5 o'clock
- 4. 11 o'clock
- 5. 6 o'clock
- 6. 4 o'clock
- 7. 11 o'clock
- 8. 12 o'clock

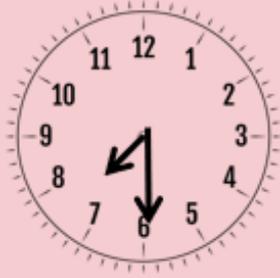

INDEPENDENT TASK

TO START

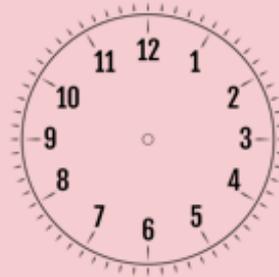

Draw on the hands to show the time

(Play video at 6.00)

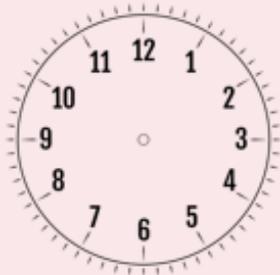

Tip: Draw your own clocks or show your answers on this document.

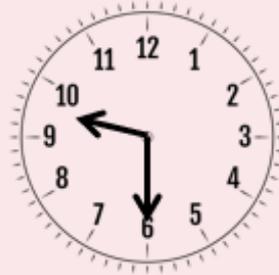

He gets up at _____.

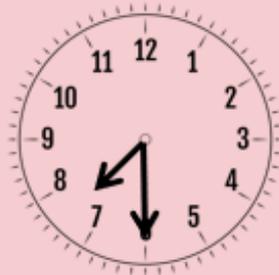

He walks home at half past three.

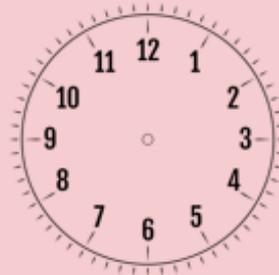

He eats dinner at half past six.

He walks to school at _____.

He goes to bed at _____.

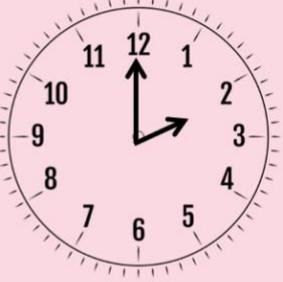

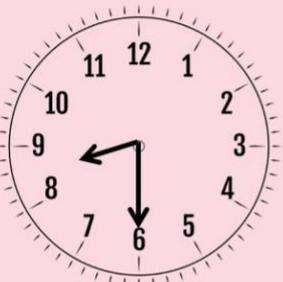

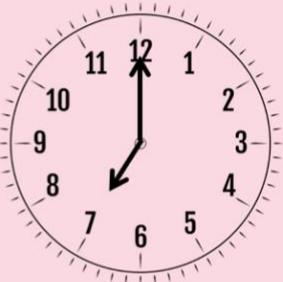

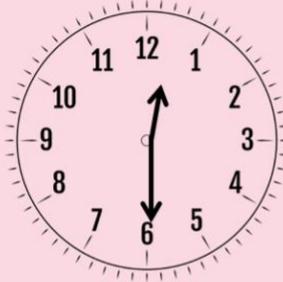

He eats lunch at half past twelve.

MOVING ON:

Match the times on the clocks with the written times.

Tip: Draw your own clocks or show your answers on this document.

Match the written times to the clocks

half past
twelve

two
o'clock

seven
o'clock

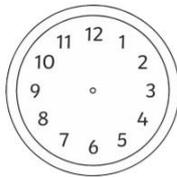

half past
eight

CHALLENGE

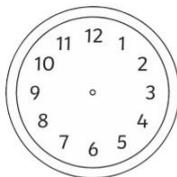

Write three sentences about activities which you do in the day, write what time you do them each day.

Tip: Draw a clock next to your sentence and show the time.

Here are some examples:

I have a snack at half past 10.

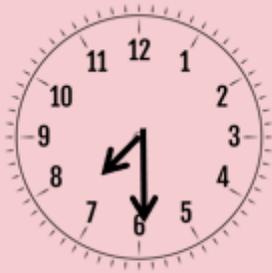

I play outside at half past 1.

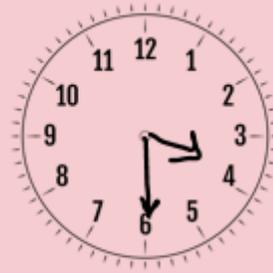

I eat dinner at half past 6.

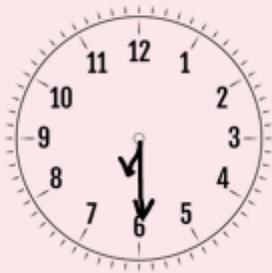

Check the next page for the answers.

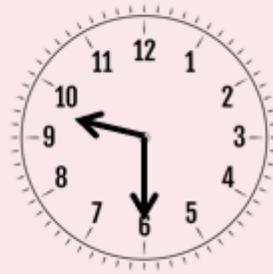

He gets up at
half past seven.

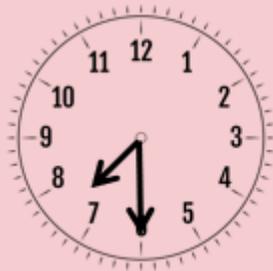

He walks home
at half past
three.

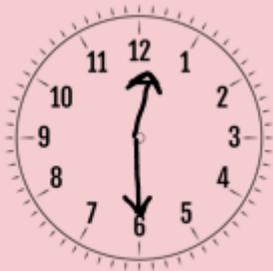

He eats dinner
at half past six.

He walks to
school at half
past nine.

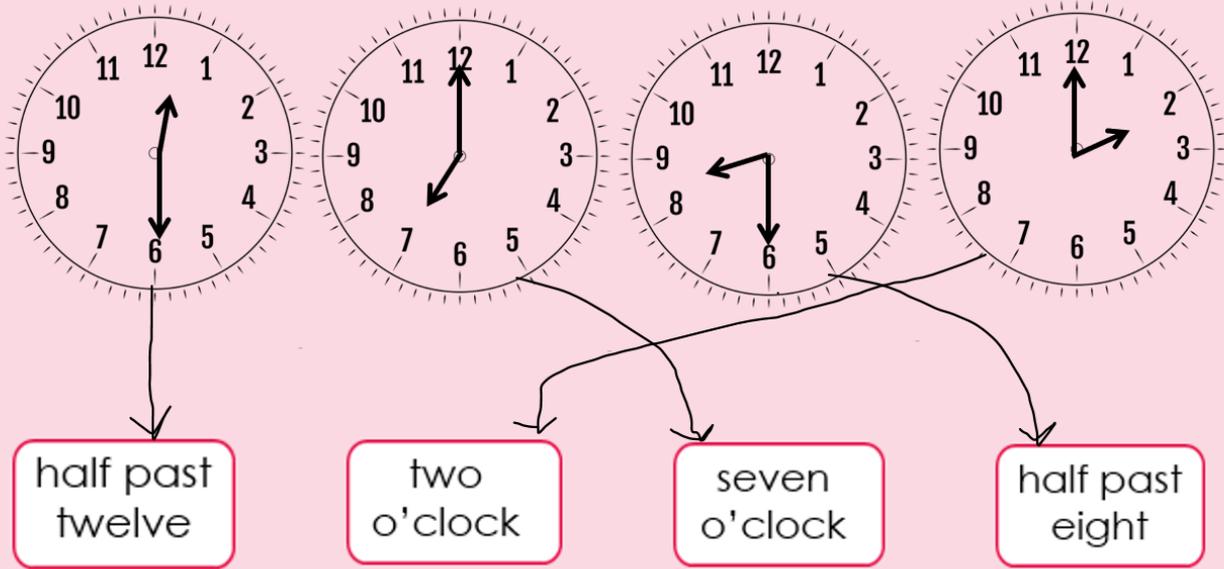

He goes to bed
at half past
seven.

He eats lunch at
half past twelve.

Match the written times to the clocks

	Success Criteria / Checklist	Achieved
1	I can read the time to half past	
2	I can read and match written times	
3	I can draw times to half past on an analogue clock	

What did I find easy?

What did I find difficult?
