## **Year 6 Secondary Transition Information** **Secondary School Open Evenings/Days 2021 - 2022**

Dear Parents/Carers

Welcome back to the start of the new academic year and I hope you all had a wonderful break over the summer.

Your child will be joining Year 6 on Friday and it is already the time to start thinking about applying for Secondary Schools.

Please do come along to the Secondary Transfer Information Sessions that I have planned on the following dates. The sessions will be held here at the school...

- **Tuesday 21<sup>st</sup> September 2021 @ 9:00 a.m.**
- **Wednesday 22<sup>nd</sup> September 2021 @ 6:00 p.m.**

If you cannot make either of these meetings, please do make an appointment to meet with.

I have put together a list of the times and dates for the Open Days/Evenings for our local Secondary Schools. If the Open Day arrangements are not listed for your chosen school, contact them directly to arrange a visit. Please note that arrangements may be subject to change or cancellation at short notice due to the continuing threat of C-19. Please check individual schools' websites for updated information once term starts in September. Please do make the most of 'visiting' these schools and let me know if you will be taking your child to visit a school during the Open Mornings, so that we can authorise any absences.

The application process opens today, **Wednesday 1<sup>st</sup> September 2021** and closes on **Sunday 31<sup>st</sup> October 2021**. I am here to support you during this time if you want to discuss any of the schools, the application process or discuss any other concerns you may have. It can be incredibly emotional as you want to make sure you make the right choice for your child.

## ADMISSION ARRANGEMENTS 2021 / 2022

---

If a school is oversubscribed, places are allocated in accordance with the school's published admission criteria (also known as admission policies or admission arrangements).

The admission authority for a school or academy must set admission arrangements annually:

- For community schools the admission authority is the local council
- For voluntary aided schools, academies, and free schools it is the school's governing body or academy trust

You can download copies of the admission arrangements for individual secondary schools by clicking on the links... (some links still need to be updated)
