A Message from the Principal

The weeks are flying by and another half term break will be upon us. Every day I walk around the school, in and out of the classrooms and I am impressed with how focused the children are. They are all so inquisitive; the children ask great questions and there is always great discussions being had about their topics. Even though the year has been interrupted, the children have shown great resilience and always present positive attitudes to their learning. Thank you for your continued support.

Yesterday I emailed to you all a letter inviting you to Year Group meetings over the course of the next two weeks to discuss with you the Relationships Policy. The meetings will be held in the school in a safe and respectful way. Please do read over the Policy and come along to the meetings if you have any questions, queries or want to hear more about the Policy. If you are unable to attend the meeting but have any queries you can either make an appointment to meet with me or email on me admin@arkjohnarcher.org Your views are important to us and the school.

Can I please remind you all that Home Learning is a great way to ensure Reading, Spellings, Research about Topics, Timetables and Maths are enhanced and improved on at home. Each year groups Home Learning is posted onto SeeSaw on a Friday and it is an expectation that the children complete the work over the week. Please do encourage your children to do this and if you have any problems at all accessing the work - let us know and we can reissue all your passwords. Always here to help.

Many thanks again for all of your support and please do not hesitate to come and speak to me if you need any support on any matter. Have a wonderful weekend and we look forward to seeing you on Monday!
