## A Message from the Principal

Many thanks to you all for the support you have shown the school over the past week. The children have been so engaged in Home Learning and the quality has been second to none. From videos of children reading, taking part in their daily phonics sessions, to creating PowerPoint Presentations and writing extensively about their topics... has been inspiring but it has also demonstrated independence. This has been one of the positives over a disrupted year. Independent learning is a skill that they can take to Secondary School and beyond.

One of the biggest disappointments has been the cancelling of the school trips. We will of course look at what we can do in our local community to make the most of being outside and making the most of the weather. We have started to map out the trips for each class for next academic year and I know we will continue to enrich the children's learning even more moving forward.

The End of Year School Report will be sent out on Monday 19th July. Having had to cancel the Parent & Family Information Days, if you would like to discuss your child's progress and attainment after having read the report, please do contact the office and we will can arrange a meeting.

As you are aware we are moving to a new menu and new look School Dinner Offer for September that will offer Non-Halal & Halal food. Please do encourage your child to take up a school dinner. We will also be requesting for information regarding food allergies. This is important information so please do ensure you complete the forms.

Many thanks again for all of your support and please do not hesitate to come and speak to me if you need any support on any matter. If you ever feel unsafe always know that you are welcome here at the school... our door is always open.

Best wishes
