A Message from the Principal

Thank you so much for supporting another great week. The children do literally 'bounce' through the gates in the morning and always ready for their day of learning.

Last week I mentioned that I have made the decision to bring the kitchen under the care of the school. I am going to be sending out the sample menu alongside the newsletter and will also be sending a copy home with the children. Please can you take some time to look over the menu and discuss it with your child. We will also be discussing the menu with the children. I would really appreciate your thoughts on it and would also welcome any suggestions to suggestions of main meals, desserts etc. My aim is to ensure ALL children have a school dinner every day so will welcome your thoughts... #GreatFood@AJA

Many thanks to the parents and family members who came along to our second 'Time2Talk@AJA' session with Citizens UK. An amazing group of parents who really are passionate about making change in our community. Next week I will be sending out a list of end of year activities and trips that we have planned for the children. It is really important that we celebrate the end of this academic year... and most of all we do it together.

Please don't forget to book a meeting with your child's class teacher to discuss progress and their end of year report. Please do use this link to make your appointment and all meetings will be held safely on site...

Many thanks again for all of your support and please do not hesitate to come and speak to me if you need any support on any matter. If you ever feel unsafe always know that you are welcome here at the school... our door is always open.

Best wishes
